Re: Application of Verizon Long Distance LLC for Cancellation of Bond,
Order No. 2010-657
Application of Verizon Enterprise Solutions LLC for Cancellation of
Bond, Order No. 2010-686

Dear Ms. Boyd:

On September 1, 2010, Verizon Long Distance LLC ("VLD") filed a letter with the Commission requesting the cancellation of its financial guarantee bond because the company does not provide prepaid telecommunications services, nor does it require deposits or advance payments from customers. (Exhibit 1) On September 23, 2010, Verizon Enterprise Solutions LLC ("VES") filed a letter requesting the cancellation of its financial guarantee bond for the same reasons. (Exhibit 2) On September 22, 2010, the Commission granted VLD's request in Order No. 2010-657 (Exhibit 3). On October 6, 2010, the Commission granted VES's request in Order No. 2010-686 (Exhibit 4).

The orders attached as Exhibits 3 and 4 state that VLD and VES, respectively, now operate under the name "New Communications of the Carolinas," but that is not correct. The Commission noted in its Order approving the transaction between Verizon and Frontier (Order No. 2009-769) that VLD and VES only were transferring certain long distance customers and accounts receivable to a subsidiary to be acquired by Frontier, that VLD and VES would continue to provide long distance services in South Carolina and that they would maintain their CPCNs. Accordingly, VLD and VES continue to be affiliates of Verizon Communications Inc. and are not doing business as New Communications of the Carolinas.

South Carolina Public Service Commission

VLD and VES respectfully request that this letter be brought to the Commission's attention so that the appropriate corrections can be made. Please do not hesitate to call me if there are any questions about this matter. Thank you for your assistance.

With kind regards,
